

PUBLIC HEALTH MESSAGE

PERSONAL PROTECTIVE EQUIPMENT (PPE) COMMUNITY DRIVE

April 5, 2020 - Mammoth Mountain Community Foundation (MMCF) in partnership with Mammoth Resorts and Mammoth Hospital is leading the community drive for the collection and distribution of personal protective equipment. MMCF will be reaching out to the community to make much needed personal items such as stylish face coverings for employees and the public, along with head and bootie covers for health care providers.

The drive will be based out of the Mountain Center at The Village - located on the Canyon Blvd. side in the lift ticket purchase area. The program is currently scheduled to operate between 10:00am and 2:00pm, Monday, Wednesday and Friday.

This Week's Schedule:

- Monday, April 6: 10am-2pm drop-off of homemade face coverings & PPE
- Wednesday, April 8: 10am-2pm drop-off of homemade masks & PPE and public pick up of masks at ticket windows
- Friday, April 10: 10am-2pm drop-off of homemade masks & PPE and public pick up of masks at ticket windows

To help collect and distribute much needed personal protective equipment at the Mountain Center, please sign-up on line: <https://www.signupgenius.com/go/8050e49afae2aa02-mask>

For any questions related to volunteering, please reach out to Elle Reynolds: elle.reynolds@mammothfoundation.org.

To get involved in the personal protective equipment community drive, please contact MMCF Executive Director Tamara Bankson: t.bankson@mammothfoundation.org.
