

We are here for you and your family

Following the devastation brought by the Mountain View Fire, the Nevada Resilience Project is partnering with Mono County to offer a community meeting for all residents. We recognize the grief, frustration, and overwhelming emotion you and your loved ones must be facing, and are here to help.

When: Saturday, March 6th
Time: 1pm - 2pm
Where: Coleville High School Gym

All COVID-19 public health protocols will be followed during the meeting. Attendees are required to wear face coverings and will be screened for symptoms upon entry. We thank you for your participation in stopping the spread.
